

**SELF-GENERATION INCENTIVE PROGRAM
DIRECTED RENEWABLE FUEL SUPPLIER
ATTESTATION**

I, _____ (print name of Fuel Supplier), hereby attest that directed renewable fuel will be supplied to _____ (print name of Host Customer) by nomination and will comply (subject to verification spot checks) with all applicable rules of the Self-Generation Incentive Program (SGIP) including but not limited to:

- a) Contract will include the term (minimum of 10 years), cost, amount of renewable fuel injected on a monthly basis for the length of the contract, address of renewable fuel facility, and facility address of Host Customer.
- b) Documentation will be provided that shows that the third-party gas provider can inject the renewable fuel into the natural gas pipeline.
- c) The Directed Renewable Fuel Supplier facility must produce fuel that meets the SGIP definition of renewable fuels.
- d) The renewable fuel must be produced in-state and injected into a natural gas pipeline system ..
- e) All environmental attributes associated with renewable fuels used in the project, if any, will be exclusively owned and retained by the Host Customer.

The undersigned understands that non-compliance to any SGIP requirements will be grounds for partial or complete incentive refund.
