

**SELF-GENERATION INCENTIVE PROGRAM  
DIRECTED RENEWABLE FUEL SYSTEM OWNER  
ATTESTATION**

I, \_\_\_\_\_ (print name of System Owner), hereby attest that Directed Renewable Fuels will be procured complying with all applicable rules of the Self-Generation Incentive Program (SGIP) including but not limited to:

- a) Contract will include term (minimum of 10 years), cost, amount of renewable fuel injected on a monthly basis for the length of the contract, address of renewable fuel facility, and facility address of Host Customer.
- b) SGIP Program Administrators have the right to audit and verify Host Customer's consumption of renewable fuel consumption upon request over the life of the contract.
- c) The Host Customer will consume the contracted renewable fuel for the sole purpose of powering the SGIP systems. All environmental attributes associated with renewable fuels used in the project will be exclusively owned and retained by the Host Customer who shall not sell, trade, or transfer any environmental attributes.
- d) The contract includes a forecast of the system's anticipated renewable fuel consumption.
- e) The Project will be designed to meet the 100 percent renewable fuel requirement for the lifetime of the Project.
- f) The Renewable Fuel Supplier facility must produce fuel that meets the SGIP definition of renewable fuels.
- g) The installation will use a revenue-grade, net generation output meter (NGOM) that can be remotely monitored by the utility for both electric output and gas consumption.

The undersigned understands that non-compliance to any SGIP requirements will be grounds for partial or complete incentive refund.
