

SGIP Non-Residential Equity December 13th, 2020 Lottery Results (Non-Selected Applications Only)

Budget Category: Non-Residential Storage Equity

Step: 5

Current as of: 8/3/2021

Notes: If "Yes" is entered in the "Entity Capped Application" column, the application was not selected for funding due to the Host Customer entity reaching its entity cap of \$5 Million. Entity capped applications will continue to be skipped until there is sufficient room under the specific entity's cap, e.g. due to attrition from that entity.

SGIP Administrator	Waitlist Order	Application Code	Developer Company Name	Rated Capacity [kW]	Energy Storage Capacity (kWh)	Current Incentive	Total Eligible Costs	Entity Capped Application
